

**ARCHITECTURAL REVIEW BOARD
FEE SCHEDULE
2002/2003**

The Fee schedule is based on actual costs of outside plan check and construction inspections, and campus project management and fire safety review. They are subject to change and owner should check during Preliminary Application for current fee estimate.

Example of Fees for 2nd Story Addition: 2002

ARB Design review/construction permit.	No charge
Landscaping review	No charge
State Fire Marshall review	\$250
Construction Document Plan Check	\$2,500
Construction Inspections	\$4,000-5,000
Campus Project Management	\$1,500-\$2,000

Smaller project will require less management and review and costs may be proportionately less than the above example
