

UCSC For-Sale Housing Questionnaire (2023-2024)

Introduction

Complete this form if you wish to apply for on-campus housing at UCSC, or if you are already on a waiting list and you want to modify your previously submitted preferences during the annual Open Enrollment period.

The [Housing Access Policy](#) is the governing document with respect to eligibility to apply and to purchase for-sale housing at the UCSC Campus. Please refer to the policy prior to completion of this questionnaire.

The Employee Housing webpage has additional information (floor plans, locations, etc.) related to the for-sale inventory listed in the table below. Go to <http://employeehousing.ucsc.edu/forsale/index.html> for this information.

Step One ~ Housing Preference Selection

In the table below, please indicate the type and size unit(s) you would like to purchase. Please note that:

- You must select **at least one** housing preference (though you can select more than one).
- Once you are offered a unit that matches any of your preferences, you will be removed from the waiting list whether you purchase it or not.
